

Business development

We are

- an innovative high-tech company pioneering in mobile vital signs monitoring.
- active in the fields of performance sports, health care and mHealth.
- motivated to create new, innovative medical products and solutions.
- a small, but smart team.
- flexible in office time.
- family friendly.

We want to

- gain new B2B customers in mHealth, telemedicine and remote patient monitoring.
- create partnerships and win-win situations.
- enable new user experience.

You

- are passionate about what we do.
- love to network and exchange with other people.
- ideally have medical background.
- are ready to take over responsibility.
- are creative, motivated and willing to work independently.
